

Rural Craft & Cultural Hub Project

The Project covering 12000 artists and crafts persons was initiated this quarter. We are working in collaboration with the MSME&T Department, Government of West Bengal & UNESCO. Around 3600 Chau, Jhumur, Baul, Bhawaiya and Puppetry artists learned about their art from the masters.

Rural Connect

Crafts from across West Bengal are now available at Biswa Bangla Haat, ECO Park Gate 5, Rajarhat. Visit and meet the artists. Enjoy demonstration, folk music and dance!
